

Press Release

19th June 2007

Two Weeks to POWERnights Blast Off

In a fortnight Silverstone will play host to the first ever POWERnights Thursday evening motorsport event. POWERnights, which is the motorsport equivalent of Twenty20 cricket, will stage three events this summer on Thursday 2nd and Thursday 30th August at Silverstone in Northamptonshire, with an event at Donington Park in Derbyshire on Thursday 9th August. Each of the POWERnights events will have a packed 4-hour, spectator friendly schedule, which will include plenty to entertain the whole family from 5:30pm, with the racing starting at 6pm.

The eight race programme at the first event will be contested by Saloon & Sports cars, Formula Fords, Classic Saloons and Toyota MR2s and each group will race twice, with each race lasting 10 minutes, during the nearly three hours of racing action which gets underway at 6pm.

While the on track action is provided by the race cars taking part, there are plenty of other opportunities for visitors to be entertained at each of the three POWERnights events. Before the racing gets underway, and throughout the evening, stunt display driver extraordinaire Terry Grant will wow the crowd with his unique show of car control.

POWERnights radio will keep the crowd supplied with the latest information during the events. Hosted by local radio DJ John Griff and featuring some of the best commentators in the UK, POWERnights radio will be on air from 5pm with a combination of commentary, music and competitions. A free POWERnights radio will be given away with each programme and spectators will be able to purchase extra radios at just £3 each.

Cont/.....

Spectators can also get involved in the racing by naming the driver they think is going to win each race. One spectator will win a Scalextric 'Power Slide' set for each of the eight races and they will be presented with their prize on the race podium by the winning driver.

POWERnights aim is to attract a brand new audience to watch UK motorsport with an entertaining package of track action, stunt displays, interactive competitions, music and a post racing 'Party in the Paddock' that is open to everyone attending the POWERnights events. Ticket prices are also very spectator friendly with advance adult tickets at just £10 (£15 gate) and children under 16 receiving free entry.
